

The International Federation of the Societies of Gynecological Endocrinology (FISGE) is a worldwide group that unites all the societies of gynecological endocrinology interested in the study and the research of all aspects of gynecological endocrinology, aiming to improve the communication and the exchange of information related to the activities of each society all over the world.

### **Take part in the FISGE network!**

Joining our International Federation your Scientific Society will be part of an international group of Scientific Societies and will be able to better promote its activities and its science.

### **Advantages for the Scientific Societies**

- ✓ Your future events will be published in the events section of the ISGE website
- ✓ Your society will be able to organize for free a symposium during the ISGE World Congress (our international conference with more than 2000 delegates): the ISGE will provide for the congress hall plus audio-video setup.
- ✓ Your society will have the possibility to plan and organize courses with the ISGE endorsement

### **The Members of your society will have the same services/benefits as ISGE members:**

- ✓ Free Access to the digital edition of "Gynecological Endocrinology"
- ✓ Access to the lectures of the past congresses with slides and audio
- ✓ Newsletter with news, abstracts, reviews on Gynecological Endocrinology
- ✓ 25% Discount on the volumes of the "ISGE Series"
- ✓ Discount on all courses organized by the International School of Gynecological and Reproductive Endocrinology (ISGRE)
- ✓ 100€ discount on the ISGE World Congress registration

### **Requirements:**

- ✓ The affiliation to the FISGE is reserved to National Scientific Societies/Associations operating in the fields of Gynecological Endocrinology. FISGE societies must have at least 100 members. Each request for affiliation must be evaluated and approved by the ISGE Board.
- ✓ In order to give your members the same services as ISGE members you are required to give to the ISGE the list of your members with name, last name, country and email.
- ✓ In order to have your events listed on the Congress website, it is required to send to ISGE basic information on your future events (title, dates, venue, image).
- ✓ In order to organize a symposium at the ISGE World Congress, it is required that you register at least a group of minimum 20/25 people.
